How to reach us by TTC

From the Bloor-Danforth Subway Line:

- 1) Get off at Dundas West Station.
- 2) Take the 504 King street car from within the station. (No transfer necessary.)
- 3) Get off at the first stop after Jameson Avenue. On Sundays, this will put you directly in front of the church. At other times, you will be let off at Dunn Avenue, which is one block east of the church.

From the Yonge-University Subway Line:

- 1) You will need a transfer.
- 2) Get off either at King (on the Yonge line) or St Andrew's (on the University line). (You are almost guaranteed to get a seat if you get off at King, but it may be faster to get off at Saint Andrew's.)
- 3) Take the 504 street car westbound. (It does not matter whether the sign on the street car says '504 Roncesvalles' or '504 Dundas West'.)
- 4) On Sundays, the street car stops directly in front of the church, which is on the corner of King Street West and Close Avenue. At other times, get off at Dunn Avenue (the first set of lights west of Dufferin) and walk one block west.

How to reach us by car

Holy Family Church is on the north-east corner of King Street West and Close Avenue. It is one block east of Jameson Avenue and about half a kilometer west of Dufferin Street. If you are coming from out of town, take the Gardiner Expressway to the Jameson exit. Go north on Jameson Avenue to the first set of lights, which is King Street, and turn right.

Now that you see the church, you will need to find parking. Spaces can be found along King Street (but not in morning and evening rush hour) and on some of the side streets. There is also a parking lot which belongs to Holy Family School, which is located immediately to the north of the church. PLEASE DO NOT USE THIS LOT WHEN SCHOOL IS IN SESSION. In order to access this lot at other times, you will need to get to Queen Street (the first major street to the north of King and parallel to it) and then come south on Close Avenue (which is a one way street). PLEASE DO NOT USE THE SMALL PARKING LOT ADJACENT TO THE ORATORY ON KING STREET. WE NEED EVERY SQUARE INCH.
